Ipca Laboratories Ltd

Pharmaceuticals | India | November 14, 2024

Faster turnaround in Unichem portfolio

- 2Q revenue was in line, although EBITDA marginally below expectation.
- Revenue growth guidance at 9-10% (10-11% earlier); ex-Unichem margin guidance at 22% (21% earlier).FY25F/26F EPS raised by 6%/1%, respectively.
- Upgrade our rating to ADD (from REDUCE) with a higher TP of Rs1,720.

In-line 2QFY25 revenue, but miss on the profitability front

Ipca Laboratories' (Ipca) 2QFY25 performance was in line on the revenue front, although it missed on the profitability front (EBITDA/PAT below 5%/9% vs. our/Bloomberg estimates). India business growth was strong at 11% YoY, higher than industry growth (8% YoY). Export business was mixed – generics business was up 8% YoY (UK was weak, likely to be flat YoY in FY25F; supply constraints in Australia/New Zealand in 1H, sorted now), though the branded business was weak (-2% YoY, currency problem). Institutional business was notably strong at 85% YoY (the base period was impacted due to plant renovation), and Ipca expects to sustain the momentum in the rest of FY25F. Margin stood at 18.7% (flat QoQ, -130bp below expectations), while Unichem had a solid margin of 12% (+200bp QoQ). Ipca's base business margin was down 90bp QoQ at 20.3%, led by lower gross margin or GM (-70bp QoQ, led by lower branded business sales).

Unichem subsidiary - synergy benefits have started showing up

Unichem's synergies have started showing up. Unichem's GM improved significantly by 210bp in 1HFY25 vs. FY24 due to a substantial reduction in procurement prices. API sourcing from Ipca (another five-to-six months away) will lead to a further reduction in input costs. The initial six products from Unichem have seen manufacturing cost savings of around 25-30%, with Ipca's cost efficiency, and more are in the pipeline. However, market extension for Unichem products is still some time away. Nevertheless, Unichem's EBITDA guidance of Rs2bn by the end of two years is likely to be achieved in the first year itself (1HFY25 EBITDA of Rs1bn already). Ipca expects Unichem to report Rs18.5-19bn sales in FY25F. Beyond FY25F, it expects Unichem's margin to touch 15%.

Resets guidance

Ex-Unichem, Ipca expects its overall business to grow 9-10% YoY (10-11% earlier) and the margin at 22% (21% earlier). While 1H revenue is weak, the pick-up in generics business in 2H, partly led by deferred sales in Australia/New Zealand and US sales (around Rs300m shipped so far, but not booked) will help achieve the guidance. So far, Ipca has relaunched three products in the US (five-to-six planned in FY25F & FY26F each).

Upgrade to ADD rating with a higher target price of Rs1,720

We upgraded the stock's rating to ADD (from REDUCE) with a higher target price of Rs1,720 (Rs1,279 earlier). We valued the stock at 21x EV/EBITDA (in line with other branded companies). FY25F/26F EPS raised by 6%/1%, respectively. Downside risk: Slower margin expansion in Unichem.

SOURCE: INCRED RESEARCH, COMPANY REPORTS

DISCLAIMER

This report (including the views and opinions expressed therein, and the information comprised therein) has been prepared by Incred Research Services Private Ltd. (formerly known as Earnest Innovation Partners Private Limited) (hereinafter referred to as "IRSPL"). IRSPL is registered with SEBI as a Research Analyst vide Registration No. INH000011024. Pursuant to a trademark agreement, IRSPL has adopted "Incred Equities" as its trademark for use in this report.

The term "IRSPL" shall, unless the context otherwise requires, mean IRSPL and its affiliates, subsidiaries and related companies. This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject IRSPL and its affiliates/group companies to registration or licensing requirements within such jurisdictions.

This report is being supplied to you strictly on the basis that it will remain confidential. No part of this report may be (i) copied, photocopied, duplicated, stored or reproduced in any form by any means; or (ii) redistributed or passed on, directly or indirectly, to any other person in whole or in part, for any purpose without the prior written consent of IRSPL.

The information contained in this report is prepared from data believed to be correct and reliable at the time of issue of this report.

IRSPL is not required to issue regular reports on the subject matter of this report at any frequency and it may cease to do so or change the periodicity of reports at any time. IRSPL is not under any obligation to update this report in the event of a material change to the information contained in this report. IRSPL has not any and will not accept any, obligation to (i) check or ensure that the contents of this report remain current, reliable or relevant; (ii) ensure that the content of this report constitutes all the information a prospective investor may require; (iii) ensure the adequacy, accuracy, completeness, reliability or fairness of any views, opinions and information, and accordingly, IRSPL and its affiliates/group companies (and their respective directors, associates, connected persons and/or employees) shall not be liable in any manner whatsoever for any consequences (including but not limited to any direct, indirect or consequential losses, loss of profits and damages) of any reliance thereon or usage thereof.

Unless otherwise specified, this report is based upon reasonable sources. Such sources will, unless otherwise specified, for market data, be market data and prices available from the main stock exchange or market where the relevant security is listed, or, where appropriate, any other market. Information on the accounts and business of company(ies) will generally be based on published statements of the company(ies), information disseminated by regulatory information services, other publicly available information and information resulting from our research. While every effort is made to ensure that statements of facts made in this report are accurate, all estimates, projections, forecasts, expressions of opinion and other subjective judgments contained in this report are based on assumptions considered to be reasonable as of the date of the document in which they are contained and must not be construed as a representation that the matters referred to therein will occur. Past performance is not a reliable indicator of future performance. The value of investments may go down as well as up and those investing may, depending on the investments in question, lose more than the initial investment. No report shall constitute an offer or an invitation by or on behalf of IRSPL and its affiliates/group companies to any person to buy or sell any investments.

The opinions expressed are based on information which is believed to be accurate and complete and obtained through reliable public or other nonconfidential sources at the time made (information barriers and other arrangements may be established, where necessary, to prevent conflicts of interests arising. However, the analyst(s) may receive compensation that is based on his/their coverage of company(ies) in the performance of his/their duties or the performance of his/their recommendations. In reviewing this report, an investor should be aware that any or all of the foregoing, among other things, may give rise to real or potential conflicts of interest. Additional information is, subject to the duties of confidentiality, available on request. The report is not a "prospectus" as defined under Indian Law, including the Companies Act, 2013, and is not, and shall not be, approved by, or filed or registered with, any Indian regulator, including any Registrar of Companies in India, SEBI, any Indian stock exchange, or the Reserve Bank of India. No offer, or invitation to offer, or solicitation of subscription with respect to any such securities listed or proposed to be listed in India is being made, or intended to be made, to the public, or to any member or section of the public in India, through or pursuant to this report.

The research analysts, strategists or economists principally responsible for the preparation of this research report are segregated from the other activities of IRSPL. Information barriers and other arrangements have been established, as required, to prevent any conflicts of interests.

The research analysts, strategists or economists principally responsible for the preparation of this research report are segregated from the other activities of IRSPL. Information barriers and other arrangements have been established, as required, to prevent any conflicts of interests.

IRSPL may have issued other reports (based on technical analysis, event specific, short-term views, etc.) that are inconsistent with and reach a different conclusion from the information presented in this report.

Holding of Analysts/Relatives of Analysts, IRSPL and Associates of IRSPL in the covered securities, as on the date of publishing of this report

Research Analyst or his/her relative(s) or InCred Research Services Private Limited or our associate may have any financial interest in the subject company.
